1.0 Introduction

e-District 2.0 portal has been envisaged by the Government of West Bengal to provide advanced automated workflow solution for District Administration to improve upon the existing standards for providing services to the citizens. This project harbors the dream to earn the reputation of being paramount importance to help the State to establish higher acceptance standards for electronic workflow system for the district administration as well as various departments for processing the applications submitted either by citizens themselves or through Kiosk Centers/BSKs, which are the primary front-end channels as envisaged in the project.

1.1 Accessing eDistrict 2.0

eDistrict 2.0 portal is a web-based application. The application has support for all the popular web browsers like Chrome, Edge and Mozilla. It can be accessed by typing the URL identifier on any of the above-mentioned browsers.

URL: http://10.10.98.51/portal

The following screen opens up.

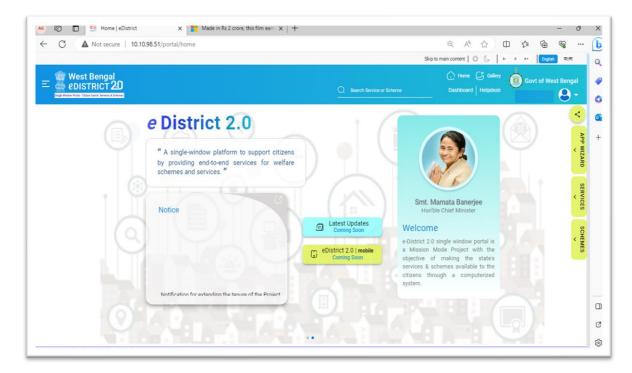

FIGURE 1

1.2 User Navigation flow

The home page can be divided into two distinct sections. The Header and Body. The Header section contains a few common features which are a part of the standard design and may be used by the users as per their convenience. The common features have distinct icons, and the usage is mentioned below.:

Icon / Link	Usage
(* C)	The Night mode icon palette provided icons to select the preference for viewing the portal in the dark mode or in the normal mode.
A- A A+	Size icons are provided to aid the users select the font size in accordance with the individual reading preferences.
Search Q	The Search Option is provided to the user so that they can search for a desired service/scheme from within the portal
٥	The Picture Gallery icon, can be used to view the departmental images.
f	The Home Icon, helps the user to navigate to the home page.
English বাংলা	Language selector allows the user to toggle between the available. The portal supports English and Bengali la
LOGIN	Clicking on this allows the user to login to the portal and avail the desired service
Helpdesk	The Helpdesk link re-directs the user to the Helpdesk information
	 The Hamburger icon on the extreme left provides further alternative navigation options mentioned below : Login Services Schemes Contact Us

lcon / Link	Usage
	User can jump to the Login screen, browse for the available services, schemes and also jump to the Contact Us.
REGISTER	Users can Register themselves with the revamped eDistrict Portal by clicking the link and filling up the necessary details.
	Users can Check the details related to the Various live services by clicking the link and filling up the necessary details.
SCHEMES	Users can access the details related to the Various live schemes available by clicking the link and filling out the necessary details.

1.3 Important Sections

Other Important Sections present in the home screen are:

- Latest Updates : The Latest Updates section shows latest updates or the important changes which have been newly implemented vide the portal. It serves as a medium of imparting the latest communication to the target audience.
- e-District Mobile: eDistrict Mobile application details
- Welcome : Provides the basic introduction of what the portal is about.
- Notice : It is an archive of the latest Govt. Notices / Circulars.

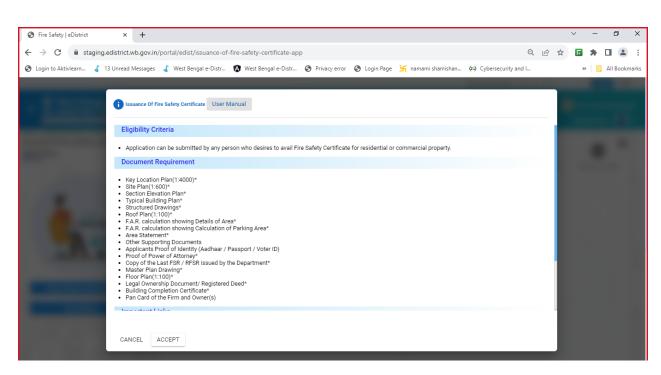

2.0 Service Discovery

In case any user wants to know about a particular service, he or she can do so by clicking the **Services** link. The **Service Discovery** screen appears as follows.

FIGURE 2

To know more about the service, a user should click on the name of the service. The user is provided with navigation icons (> and <) to navigate across various Departments. The following screen appears when the user clicks the service **Issuance of Fire Safety Certificate**.

To go-back to the previous screen, the user needs to click on the **CANCEL** button.

In case the user intends to avail a service, the user must register itself with the portal first using the REGISTER option and then login to the portal using the LOGIN option and complete the process by providing his or her unique username and click on **Sign In**.

3.0 Scheme Discovery

In addition to citizen-centric services, WB eDistrict 2.0 positions itself as a Single Window access point for the various beneficiary schemes. In order to see the available schemes, the user needs to click on the Schemes link to open the Scheme Discovery window as shown below.

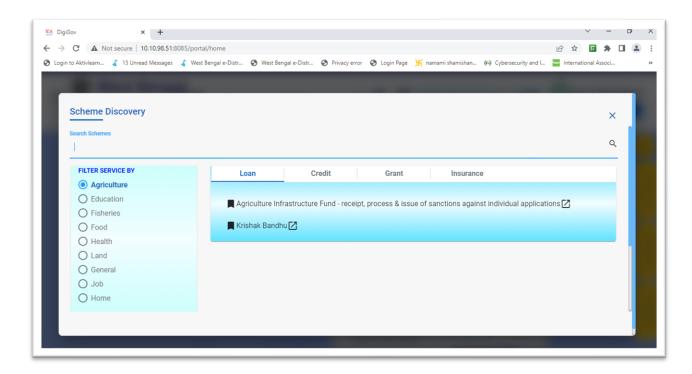

FIGURE 4

In order to know more about the scheme, the user can either use the **Search** option to search for the necessary scheme by typing the name or use the available **Filters**. In case the user wants to know more about say the **Krishak Bandhu** Scheme, a popular scheme, falling under the **Loan**, the user can click on the Scheme Name and learn more about the same. The following screen appears.

FIGURE 6

The default screen is designed to capture the Personal Details of the user. This includes Name, Email Id, Mobile Number and Date of Birth. All the details are Mandatory in Nature. Users are required to fill-up the necessary details and click on the **Register** button. This leads to the next screen.

The user is required to select a **Username** of his or her choice. This entry is validated against the user names which are already registered. In case the same is repeated, an appropriate user message is flashed to warn the user regarding the non-availability of the same. Once the user provides valid values for all the remaining fields, he or she needs to click on the **Register** button to move to the final screen where the OTP shared must be validated to complete the User Registration process.

Once the User Registration is Successful, the User needs to login using the User ID and the OTP. The user is directed to the following page which is the dashboard.

West Bengal EDISTRICT 20 References Interest Sciences			Q Search Service or Scheme	🕞 Home 💪 Gallery Dashboard Helpdesk	Govt of West Be

FIGURE 26

To attach a document, the user needs to click on the **Attach File(s)** link. Once all the necessary documents are uploaded, the User has to click on **Save** button to save the attachments.

Now the user can click on **Submit** to complete the application submission. The Unique AIN is generated for the application submitted.

The User can close the window and go to the **Dashboard**, to see the application. Also, the Application acknowledgement can be downloaded / printed for records by clicking on the download button.

5.3 Deleting Draft Application that is no longer needed

The user needs to click on the Trashcan Icon as shown below.

6.0 Connecting Helpdesk

WB eDistrict portal aims to serve a huge number of individuals under different roles. In case, the user gets stuck at a specific point, he or she can click on the Helpdesk link or select the Contact Us menu provided. The following screen appears.

The Contact Us section also provides the user to submit generic feedback on the portal as well as provides an option to Submit the Grievance if any.

7.0 Submitting Feedback

In order to submit the feedback, the user needs to enter the name and mobile number and select the rating against the feedback survey parameters and finally enter the comments as shown below.

Feedback	Grievance				
Name*	Number*				
SD	7777777777				
1. Navigation*	* * * * *				
2. User Experience*	* * * * *				
3. Ease for service available*	\star \star \star \star \star				
4. Look and feel*	* * * * *				
5. Help Documentation*	* * * * *				
Your Satisfaction level is	88%				
Comments* Satisfactory					
	488 characters				

The user has to click on the **SUBMIT** button to successfully register the feedback with the portal. In case the user needs to change the selection, he or she can click on the **RESET** button provided.

8.0 Logging Out

To Logout the user needs to click the

User Icon and click on the Logout button as shown below.
