4.0 User Registration

User Registration is mandatory for availing any of the available schemes or services. In case the visitor to the portal is an occasional surfer, he or she can get a good idea of the portal without going through the registration process.

In case the visitor to the portal wants to avail the service, then he or she needs to be a registered user. Users can register themselves with the revamped eDistrict Portal by clicking the **REGISTER** link and filling in the necessary details. The following screen appears as the user clicks on the **REGISTER** link.

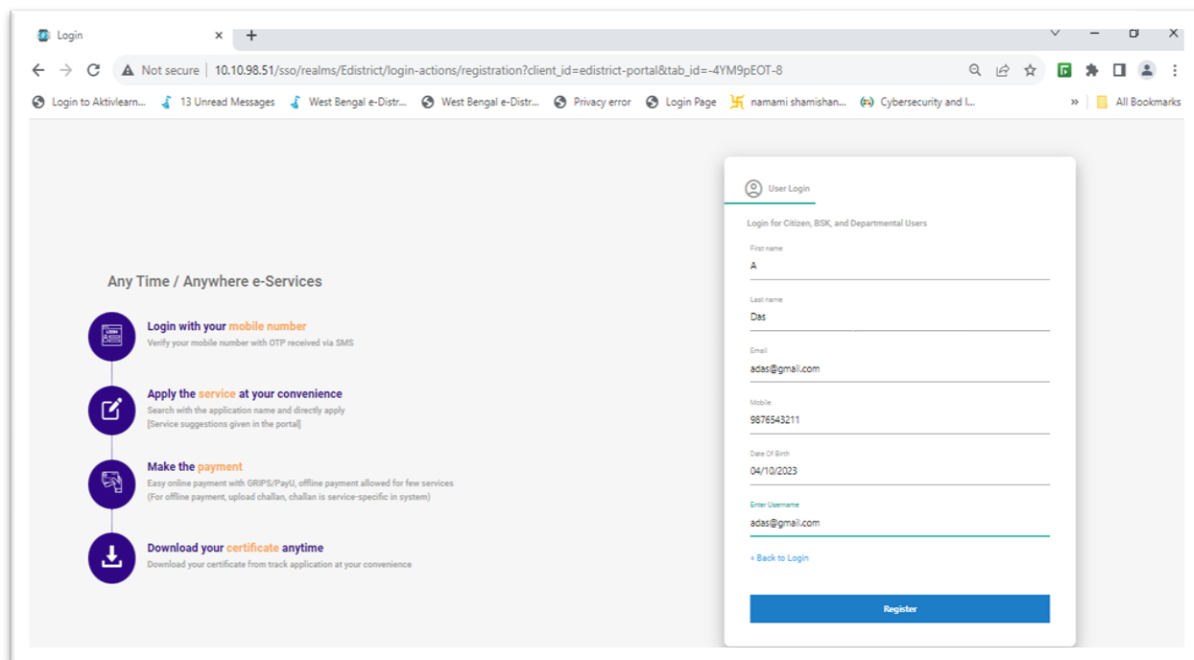

The screenshot shows a web browser window with the URL 10.10.98.51/sso/realms/Edistrict/login-actions/registration?client_id=edistrict-portal&tab_id=-4YM9pEOT-8. The page has a header with navigation links like 'Login to Aktivlearn...', '13 Unread Messages', 'West Bengal e-Distr...', 'Privacy error', 'Login Page', 'namami shamishan...', and 'Cybersecurity and L...'. The main content area is titled 'Any Time / Anywhere e-Services' and lists four steps: 'Login with your mobile number', 'Apply the service at your convenience', 'Make the payment', and 'Download your certificate anytime'. On the right, there is a 'User Login' form with fields for 'First name' (A), 'Last name' (Das), 'Email' (adas@gmail.com), 'Mobile' (9876543211), 'Date Of Birth' (04/10/2023), and 'Enter Username' (adas@gmail.com). A 'Back to Login' link and a 'Register' button are at the bottom of the form.

FIGURE 6

The default screen is designed to capture the Personal Details of the user. This includes Name, Email Id, Mobile Number and Date of Birth. All the details are Mandatory in Nature. Users are required to fill-up the necessary details and click on the **Register** button. This leads to the next screen.

The user is required to select a **Username** of his or her choice. This entry is validated against the user names which are already registered. In case the same is repeated, an appropriate user message is flashed to warn the user regarding the non-availability of the same. Once the user provides valid values for all the remaining fields, he or she needs to click on the **Register** button to move to the final screen where the OTP shared must be validated to complete the User Registration process.

Once the User Registration is Successful, the User needs to login using the User ID and the OTP. The user is directed to the following page which is the dashboard.

User Manual for Application for Issuance of Fire Safety Certificate

FIGURE 7

The Dashboard shows the application count against various statuses. For a new user this count is Zero for all the status categories.

FIGURE 8

Status	Meaning
Pending Actions	Count of Applications which have been successfully submitted and are yet to be acted upon by the actor
Draft	Count of Applications which are saved as Draft
Approved	Count of Applications that have been approved
Reject	Count of Applications that are rejected on various grounds
Submitted	Count of Applications that have been submitted successfully
